2 November 2009

Dear Sir/Madam

re : DOUG ANDERSON : RADIO 2000 PRESENTER

We wish to confirm that Doug Anderson has been a friend of the Nicholas Rey Foundation since 2007 and in April 2008, we made him a Honorary Member of the Nicholas Rey Foundation.

The Foundation was set up in October 2005 to assist injured horsemen by way of rehabilitation and/or after care, and who cannot afford the medical expenses in this regard.

After Doug offered his support and assistance to the Foundation on a voluntary basis in 2007, and it was soon discovered what a jewel we had in him. Doug is a very driven and dedicated person, who really gives so much of himself to others and he certainly is a roll model for many! Doug is not scared to get his hands "dirty" and together we have sat through many evenings organizing and planning fund raising events. As a radio presenter who is passionate about the disabled society in our Country, Doug has shown to us over and over again his commitment to help others, and to be part of a process to make the lives of other more bearable.

The Trust has assisted various individuals since its launch in 2005 and it is also proud to have been able to assist Marion Milne, to the Para-Olympics in Beijing which was hosted during August 2008. Doug personally interviewed Marion on various occasions on Radio 2000 prior to her leaving for Beijing.

We are very proud and honored to have Doug as a Honorary Member of the Foundation and wish him all the best for the future. We support him all the way and am proud to be associated with him.

Please visit us at [www.nrft.co.za](http://www.nrft.co.za) for any further information on the Foundation.

Yours sincerely

R Smit  
CEO  
The Nicholas Rey Foundation
