Mr. Doug Anderson

Doug, it is my very great pleasure to write this letter of thanks to you. Your wonderful and unstinting support of the Thandi Foundation or more specifically our burn survivors is what makes our work possible. Your example to our youth when you have interacted with them has had an amazing impact on their self-esteem and they especially appreciate it when you have made the time to visit our Burn Survivor Arts and Recreation camps.

Our Board of Directors also wishes me to extend our gratitude to you for the numerous interviews on radio that you granted us with the specific intention of promoting our organization and supporting burn survivors and other survivors of trauma.

We sincerely pray that we can continue to count on your ongoing support and wish you well in your philanthropic endeavors in the future.

Yours truly,
Colin
